# SPEAKING ON THE FINANCIAL RESULTS,

**Mr. Praveen Ostwal-Managing Director,**  
Krishana Phoschem Limited, said:

*"Krishana had a strong performance in FY 20, driven by huge demand in SSP fertilizer products. We recorded highest ever fertilizer sales in FY 20 registering an overall growth of 40% in terms of revenue from fertilizers(SSP) and minerals(BRP). Further, we focused on better fund management and we were successful to reduce the borrowings by 26%.*

*The recent agricultural reforms announced by the Government, combined with good reservoir levels and forecast of a normal monsoon, we expect healthy agricultural growth in the upcoming Khariff season.*

*Being a producer of essential commodities, Krishana received support from administration to operate even during lockdown to cater to the country's requirement in these tough times.*

*In the current COVID scenario, the company has prioritized the safety of employees and the sustainability of operations. All the 3 plants of Krishana are operating as per government guidelines and at maximum possible capacity with utmost care for the safety and social distancing of employees and workers. Krishana stands in support with the Central and State government and the local authorities and remains committed to the farming community in these challenging times."*
